

Year 5

Blwyddyn Pump

Mrs Davies's Class

This Week's Newsletter 23.11.18

In literacy the children have written 'Tanka' poems on the four seasons. The children have also looked at the features of a 'Mini Saga' and written one based on the story of Noah. The children worked very hard drafting and editing their work to create a saga in approximately 60-70 words. I was really impressed with their ability to write precisely.

In numeracy the children have identified acute, obtuse and reflex angles in a range of shapes. They also created their own 'Space' angle pictures in which they colour coded all the different angles.

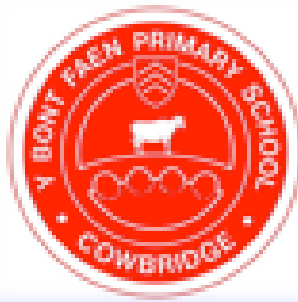

In topic the children have designed a poster about how to remain calm and patient in a tricky situation.

Next Week

In literacy we will be looking at the features of instructional writing, and writing instructions linked to our enterprise products.

In maths our topic will be money. The children will be calculating bills and giving change from different amounts of money.

In topic the children will be making their enterprise products; hot chocolate reindeer and salt dough Christmas decorations. The children will also be designing posters to place around school to persuade others to buy their products.

Class Attendance for last week:

Diary Dates

Friday 30th November – PTA Christmas Fair.

Thursday 6th December – PTA Art Exhibition – 7.30pm.

11, 12, 13th December – Christmas performances.
