The class have started rehearsing for the Christmas Concert. Please could you provide your child with a traditional Nativity King costume; if you require any help sourcing a costume please ask.

In Literacy we started the week investigating the features of a diary. The children then used the story of Daedalus and Icarus to write a diary entry about their escape from Crete.

During Numeracy we continue to develop our reasoning skills; solving problems including diagrams and number lines. The children also learnt to tell the time in 5 minute intervals. It would be incredibly useful if you could reinforce this skill at home.

In other areas of the curriculum the children have been learning about the human skeleton, how to describe the weather in Welsh and have been learning our 'Christmas Carol' in preparation for the Christmas Concert - tickets go on sale this Friday.
