This Week's Newsletter 9.11.18

Grammar has been the focus of our literacy lessons this week. The children have improved sentences using a range of exciting adjectives, verbs and adverbs.

In numeracy the children have calculated the area and perimeter of rectangles and compound shapes.

In topic the children had great fun creating 'marshmallow' constellations. They also enjoyed eating them afterwards!

Next Week

In literacy we will be looking at the structure of a 'Tanka' poem. The children will be writing Tanka poems that reflect the four seasons.

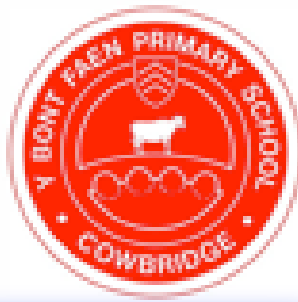

In numeracy the children will be developing their mental maths skills.
