LO: Speak clearly and vary expression

Task/Tasg: Could your child please learn their line for the Christmas Concert. We start rehearsing next week, so it would be brilliant if they could learn and 'act' their line.

As you are aware, Year 3 have the theme of Kings. Please could you ensure your child has a traditional nativity King costume in school, in a clearly labelled bag by next week. You shouldn't need to go to huge expense, for example you could make the crown out of card. I have plenty of resources in school that I can share, if you have any questions please ask.
