

Reception Class Blwyddyn Derbyn

Mrs Carr's Class

### This Week's Newsletter 25.1.19

#### This Week:

**In English** We have been learning all about Santes Dwynwen and writing greetings for their cards. The children also visited the ICT suite and with the help of their year 6 friends typed their names and found images of their favourite reptiles, which they added to their document.

**In Maths** The children have been counting 1:1 to 20 using jelly snakes and using a number line to add up and take away single digits using 'froggy hops'.

**In Topic** we have been learning about keeping reptiles healthy and the story of Mari Llwd. They then made a start on decorating their Mari Lwyd horse heads!

#### Next week:

**Literacy** - The children will be looking at animals hatching and will be writing an extended sentence using a connective.

**In Maths** - the children will be thinking about hot and cold temperatures so they will carry out a science experiment involving food colouring and hot and cold water which they will then write about.

**In Topic** - the children will be making a papier mache snake and after watching the 'Mixed Up Chameleon' thinking about what makes them happy...
