

Homework to be handed in by Wednesday 20th March

Playscript writing

Your homework for this week is to write a playscript, based on a traditional tale (e.g. The Three Little Pigs). I have included a reminder of what to include, below. Once you have written the script, you could ask your family to perform it! After they have performed it, ask them for feedback, e.g. did the stage directions help them know to speak or the actions they needed to use?

Points to remember:

- Title
- Character list
- Description at the start of each scene (what is happening, what props are on the stage...)
- Stage directions (including how to say the lines and the actions they need to do)
- A realistic dialogue between the characters
- A storyline that is interesting
- Punctuation
