This Week: Tell me a story!

In English the children have been retelling the story of Jack and the Beanstalk and discussing what makes a good fairy tale. The children have also written instructions for growing a beanstalk.

In Maths the children have been creating a bar graph based on their favourite fairy tale.

In Topic the children have been learning the features of castles, planting seeds and thinking about what they need to make them row and have started making and writing some lovely cards...

Next week -

Literacy - The children will be discussing the features of, then writing a letter to Goldilocks

In Maths - The children will be creating 3D castles!

In Topic - Again, weather permitting, we will try and visit Llanblethian castle to take photos and sketch the castle. The children will also be mixing primary colours to make new colours!
