

LITERACY HOMEWORK - Now how do I get out of this one?

1. List 8 chores or tasks you dislike doing. Cleaning your bedroom is an example of a chore you might not like! Or you may not like having to do your homework!
2. Write a creative excuse explaining why you can't or haven't completed each one. Make your excuses as original and wild as possible!
3. Next week share your excuses with the class. Who's come up with the best excuses?
