

Nursery Fact Sheet

Blwyddyn Meithryn

Welcome - Croeso to Nursery !

A very warm welcome to Nursery ! We are really looking forward to the year ahead with your children. The adults working with your children this year are Mrs Cotterell , Mrs Thomas , Mrs Bolton and Mrs Williams. We hope that the following will help you understand some of our routines and expectations. Please don't hesitate to pop in / contact us if you have any questions or queries about anything at all.

Nursery

Our classroom is a busy , interactive space , set up into learning zones / areas. Our outdoor classroom is as important as our indoor classroom and your children will have full access to both daily. Independence is highly encouraged at all times and we greatly value your help , support and partnership with this.

The children come into school through our red nursery gate alongside the school's main entrance. If you arrive late, please go straight to the main office and report to Mrs Cross as our red nursery gate will be locked. At the end of the session we dismiss also through the red gate.

If you are going to be late picking up your child at the end of the session, please contact us ASAP to update us with your alternative arrangements. **Please note** that we **cannot** release your child to another parent without your prior permission.
